

MOUNT LAWLEY SENIOR HIGH SCHOOL LAWLEY UPDATE Term 4 December 2010 No. 16

PRINCIPAL'S REPORT

With this Lawley Update, the school year closes. 2010 was a very busy year for the school and there were a number of highlights, many of which have been captured in this publication, the term newsletters and the Year book.

The Year book is a mammoth undertaking and I thank Mr Mark Lynch and his very willing and able team of Year 9 volunteers. These students did a sterling job in collecting information, preparing it for publication and assembling the final product. There will always be an issue or two identified, however, on balance a big thank you to the editorial committee.

The Carols on the Lawley Lawn, a production in consort with Mount Lawley Primary School was again, a triumph. The weather was not all that conducive, however, many families braved the windy conditions and attended. The musical ensembles and choirs were superb. Thanks to the music teachers who prepared the groups and to the School Chaplain, Mr Andrew Paul who co-ordinated the event. Mrs Sue Faranda applied her masterly design skills to produce the commemorative book and Ms Suzi Barnes the school's P&C President and Healthy Active Co-ordinator gave sterling support to Andrew, even to the extent of helping in the clean-up and reorganisation. The MC for the evening, parent Ms Narelda Jacobs, was superb. She assisted in the build-up of excitement and engaged the audience effectively. Her support of this event is very much appreciated. Thanks also to the families attending. The event will be scheduled for a similar date in 2011.

The school conducted a series of transition activities last week with Year 9 students spending two days as a Year 10 student and next year's Year 8 group in the Middle School. This group is look-

A THOUGHT

My grandfather once told me that there were two kinds of people: those who work and those who take credit. He told me to try to be in the first group: there was less competition there.

ing to be the biggest intake since the Middle School was inaugurated. The parent information session was, as usual, very well attended.

The students of the school, Zoe Kilbourn in Year 12 and Joshua Matteo, Year 9, received their ICAS English Gold Medal at a ceremony in the Perth Town Hall on Monday. They received the highest mark for their age group in the State. Congratulations to both on an exemplary achievement.

The school's Values of Excellence and Achievement were foregrounded at the final school assembly for 2010. A number of awards were made and achievements acknowledged. The 2011 Student Councillors were inducted into office. Thanks to Lawley Ward Councillor, Rod Willox, AM, RFD, ED, JP who welcomed them to office. ECU representative and School Council member Mr Kevin Pilkington, Rotary Club of Mount Lawley member Mr Robert Maley, Ex POW Association President Mr Arthur Leggett, OAM, ED, Major Ray Masterton, Mr Walter Horeb, Australia - China Friendship Society President Dr Neville Green, Mr Tim Keeley and Mr Ken Steele attended the assembly to make presentations. The support of these individuals and organisations is appreciated. Mr Steele spoke of a possible music co-operative venture for 2011.

The school's volleyball tour was a great success with the students representing Mount Lawley SHS with dignity. They also competed in the competition fairly and fiercely and achieved results that the staff were please with. Thank you to Mr Hamilton who supervised the volleyball program over the past few years. He will not be undertaking this role in 2011 and senior staff will look at options for sustaining this program.

This week we conducted our annual thank you to volunteers who assist the school. Over 130 invitations were issued and over 30 were able to attend. It was a pleasant function and one where the school could say "Thank you" to those parents and community members who give so much for school programs. They add great value to student opportunity. It was also an opportunity to present former P&C President and long term school volunteer, Mr David Hawkes with a school plaque. David has been a consummate supporter of Mount Lawley SHS and he provided great service to the P&C.

As the final Lawley Update let me thank parents for the support provided to the school and to wish all families the Compliments of the Season and for students a relaxing break. School opens for 2011 business on Wednesday, 2 February.

TRANSITION PROGRAM

Academic Task Force will again be conducting a Transition Program in Perth in January 2011. The primary objective of this initiative is to re-focus students' minds after the long summer holidays on the skills necessary for success in years 7, 8, 9 and 10. The foundation of this program is a six hour Learning Skills course that will facilitate student-centred, independent learning initiatives. The classes will focus on such units as Time Management, Goal Setting, and Learning Strategies. There are also a series of six hour revision programs in the three learning areas of Mathematics, Science and English. For more information please contact:

Dr Robert Hallam on (08) 93174421.
