

MOUNT LAWLEY SENIOR HIGH SCHOOL LAWLEY UPDATE Term 1 February 2012 No. 1

PRINCIPAL'S REPORT

Welcome back to all students for 2012 school year. A warm welcome is extended to all families, especially parents with a student attending Mount Lawley Senior High School for the first time.

In 2012, Mount Lawley SHS commences operations as an Independent Public School. The visible face of this to parents is the School Board, which replaces School Council. Parents elect a parent representative each year for a two year term and one representative is elected on an annual basis by the P&C.

Nominations for the parent representative for the next two years will be sent home shortly. The retiring member, Mr Don Rowe, will not be re-nominating as he has "graduated" from Mount Lawley SHS. I would acknowledge the tremendous work he has done as a representative of parents for the last four years. Thank you Mr Rowe.

The Board also has several community representatives and parents are asked to bring to the attention of members of the community that they know the opportunity to nominate to serve on the Board. There is one vacancy for 2012-2013 and the Board may increase the number of community members should it be required. Good people are always welcomed to assist the school. I am happy to answer any question that a potential Board member may wish to ask.

The school year commenced smoothly for most students and classes were in operation after recess. We experienced a significant number of new enrolments and these required work by staff to place students in class for them to begin their program. Due to the numbers of students coming from within boundary, there are no places for those families seeking a out-of-boundary placement. It is not even possible to accommodate siblings. Mount Lawley SHS remains a school of choice.

One factor driving families seeking enrolment is the manner with which student well being is cared for. The Middle School is renowned for attending to student needs whilst delivering good academic results. School policy is very clear on violence – Mount Lawley SHS will be a safe school. Any student fighting will be suspended. Likewise, using or selling drugs will be dealt with. This will include referral to the police. There are many options to assist students with issues and resorting to violence is not acceptable conduct.

PARENTS UNDERSTANDING ASIA LITERACY

Registrations are open inviting parents from around Australia to participate in 'Parents Understanding Asia Literacy: Building demand for Asian languages and studies'. This program is being conducted for clusters of schools across Australia in 2012 and will be in Perth on 19 March.

Program aim: to build parents' understanding of the importance of learning about Asia and Asian languages to increase career and life opportunities for their children.

Ian Dalton, Australian Parents Council executive director said. 'We know that parents influence the subject choices students make. If they are appropriately informed and engaged they can also drive school curriculum choices and pathways that are best for their children.'

Information and registrations are available at:
<http://www.pual.org.au/>

SECONDARY ASSISTANCE APPLICATIONS

Assistance is available to eligible families for payment of school Contributions & Charges and Clothing.

Parents/Guardians must hold one of the following cards:

- Centrelink Family Health Care Card

Bullying, either in the traditional physical form or the cyber variety, is likewise unacceptable. There are times when students do not let staff know about being bullied and therefore, no action can be taken. If you are aware of bullying please let staff know so that a relevant intervention can be made. Bullying can be stopped.

The 2011 Year 12 results were pleasing with a number of individual highlights. These included:

- 1 Certificate of Distinction (Mathematics).
- 15 Certificates of Excellence.
- 3 students with ATAR 99 or better.
- 34 students with ATAR 90 or better, 44.4% 80 or better.
- 3 Top 10 subjects – French, Media Production & Analysis and Psychology.
- 11 WACE courses above the State average.
- 5 WACE courses above Like School average.
- Graduation rate (98.16%) above the State average.
- Of students studying Stage 1 courses, over one third gained an 'A' grade, an improvement over 2010.

In terms of Certificates of Excellence, the 15 awarded is the most for many years. These 15 students are applauded as gaining a minimum of 10 'A' grades over Year 11/12 is a mighty achievement. Early data from university entrance indicates that 63% of graduates were offered a course of first choice and 92% offered a place – the latter better than the State average.

Of those students undertaking four examination courses, 34 gained an ATAR of 90 or better and 44%, 80 or better. Students gaining at least 90 have been invited to the school's first assembly on Friday, 10 February 2012. Here, they will be inducted into the "90s Club". Of that group, 3 achieved an ATAR of 99. In terms of comparison to other similar schools, Mount Lawley SHS students gained a median ATAR that was within the expected range - +0.2 above the expected result.

The data set on student performance in 2011 across NAPLAN, MSG 9 and Year 12 shows that the school's results were within expected like school parameters. The school had a good set of 2011 student results. Parents can have confidence that the school offers students the chance to succeed and on leaving school, transition to a pathway of choice.

The main area of concern lies with attendance. The school's attendance from last year is likely to be below that expected for like schools. Frankly, there are students who should be at school and are not. Parents have a legal obligation to send students to school and there are times when this should be exercised rather than let them remain at home. I am seeking your support in making sure students attend school unless there is a compelling reason (such as illness) in order to improve attendance. Additionally parents have a responsibility to account for student absences. This may be done through a note, email, telephone call or SMS response. Again, your support is sought.

There are some new teachers commencing this year and they are featured in this Update. They are also welcomed to the school. In terms of the school's leadership, Mrs Burnside and Mr Johnston remain as heads of their respective schools. In the Middle School the Community Leaders are:

Year 8

Mr Colin Hawke
Mr Steve Raphael

Year 9

Mr Peter Sharrett
Ms Belinda Derby

In the Senior School the Level 3 leaders are:

Mr David Beckwith – English
Ms Lynne Noack – S&E
Mr Ken Stewart – Maths (Term 1 only)
Mr Ian Barrett – Science
Mr Mark Howard – Physical Education
Mr James Cheah – Languages
Mr Neil Hudson – Student Services

Two positions in the Arts and Technology have been disestablished and the various disciplines will be managed by a Senior teacher. The SVAPA program will continue to be administered by Dr Irving and this will be outlined to all SVAPA parents shortly.

The former Head of Languages, Mr Millimaci, resigned at short notice and this position, along with the Mathematics position will be advertised shortly. For those students undertaking the Italian Tour, this will be led by Mr Camilleri.

There is an expectation that staff at this school will keep you up-to-date with student progress – the “no surprises” rule. If you have any concerns about your child please speak with a member of staff. Teachers understand the need to engage with parents early where there may be challenges.

Advice has been received from the Health Department that a current Year 10 student was exposed to TB last year. Due to the nature of TB, there will be a screening program offered to staff and students who may have had contact with the student.

Further advice will be provided directly to those students in due course by the Health Department’s staff. It is therefore important that the school has your current address. If you moved recently, please advise your new address.

I wish all students and parents the best for 2012 and trust that it will be a rewarding year for students.

Milton Butcher, Principal

Do you know a person who can help the school?

The Mount Lawley SHS School Board is seeking expressions of interest from members of the community who would like to join the Board. The commitment is two meetings a term. The qualification is a wish to improve the school and to bring a skill or an experience to the Board. Any interested community member is welcomed to speak to the Principal, Milton Butcher on 9471 0300.
