End of Year Awards:

Discussion that we provide the Chinese Language awards as we did last year (ie the Anita Chong and Geoff Davis awards), but add in year 11 (year 12s will have left school by then), with the awards to be \$30 movie voucher each.

Wayne proposed a Motion that LPSG present Language Certificates, 1 for each of year 7 to 11, for effort and enthusiasm, along with a voucher of \$30 each, for the Chinese language classes, totalling \$150. Belinda Seconded. Carried.

Raising profile and participation of LPSG

Wayne has had some discussions with Lesley (Principal):

- The amalgamation of the Language and Music soiree has resulted in Languages not being represented well. There needs to be some presentations, ideally in the Tricycle Theatre where there is a stage, eg talks from students who have done exchanges, gone on Language overseas tours, maybe poems in other languages, / slide show. This presentation is to be organised by the Language Dept.
- Language Expo and Arts Festival are being combined. Language Dept will need to ensure they maintain a high profile and get suitable space for this event.

Andrew (Chaplain) has offered to make a promo video for LPSG, which can be put on the school website / facebook. Possibly get together Wednesday, Nov 28th to discuss content and Jaeik to see if Andrew is available after the Final year Assembly, Wednesday, 5th December. **Terena and Jaeik to action.**

7. **New Business:**

Year 6 Orientation Day:

Terena will be at the Orientation Day and can hopefully promote LPSG. Jaeik to attend if available – Terena to find out what time. **Terena to action.**

See if Anne Tumak is able to place our page in the Orientation Booklet. **Terena to action.**

8. Teaching Report:

- Kate McCracken was selected to perform at the Bonjour Perth Festival – WA's French Festival – Well done!
- Trip to Japan has been postponed to April.
- Australian Korean Business Chamber is providing a year 11 Japanese scholarship
- Japanese exchange students will be here this week.
