

MOUNT LAWLEY SENIOR HIGH SCHOOL
LANGUAGES PARENT SUPPORT GROUP

Minutes for Meeting held July 27th 2010

Meeting commenced at 7.35pm

Apologies – Krista Jordan, Suzie Barnes

Attendance – Sondra Tate, Joe Millimaci, Bianca Petale, Letti Ogenis, Anita Chong, Andrea Ko, Lynda Carter, Elaine Van Halen.

Minutes from last meeting sighted by Andrea Ko. Andrea pointed out that it mistakenly stated that two tours were being organized for Austria. One was in fact for Germany. Elaine seconded this correction and approval of the previous minutes.

Matters arising from last meeting –

- Replies have been received from three local councils, Perth, Stirling and Bayswater regarding partnership opportunities. We are still needing someone to take this further for us. Could someone please consider this as a small project for the good of the Languages Support Group. Bayswater kindly offered the use of a bus for excursions for the language students. Cost \$2 per km and the driver is free. The person to contact regarding this is Emily Anderson at the City of Bayswater. Her number is 9272 0658
- Exchange students from France and teacher from Belgium all going well. There are currently also 3 students from Italy and 1 from Venice at the school with others on the way. The process for the arrival of Exchange Students is currently being streamlined by Joe Millimaci.
- Car Rally is being advertised and will go ahead this Sunday 1st August. The weather looks good.
- Logo onto t-shirts has happened and all kids have theirs now.
- The Rap group from Germany did not eventuate due to the lack of various items they needed for their performance which the school does not have.
- Austrian Tours will not be going ahead due to a decision made by the Executive Committee.

Treasurers Report

Currently there is \$704.20 in the bank.

Next meeting – 7.30pm 31st August 2010. Please make sure this is in your diary. We incorrectly said 7th Sept was to be the next meeting but the 31st is advertised on the p&c website and was chosen earlier so we will keep it.
