Nic Beames to type up invitation to be sent to all Language Teachers inviting them to the next AGM in 2011. To be sent to Sondra for distribution to teachers.

Possible German tour 2011 via EDWA. Bianca to check to see if it's still happening for next year.

Many suggestions for new events for 2011. An open air movie night was a popular choice to be held early in the new year. Unanimously agreed by all. Date to be set.

Children to play musical instruments at the Soiree in 2011, and the Car Rally to be held earlier in the year with better advertising than 2010.

A music competition was also suggested with quirky music from different cultures. Details not really discussed.

Lawley Chef was also a suggestion but needs much time to organize and no one to do it.

It was then suggested that the group purchase some cooking equipment to do in class cooking. Sondra puts forward motion to purchase 4 pasta machines. Bianca seconded and all in favour. Linda to source and report at next meeting. Approx \$80 for outlay is suggested.

Andrea Ko reports that we currently have \$2100 in the bank. Andrea to clarify how much money is coming to the group from the Finance Committee with Suzie Barnes.

Request of funds for Language Staff was met with clarification that Staff Member must present Treasurer with an invoice to be paid. An amount up to \$100 for each term was being used as a guide for expenditure.
