

MINUTES EXECUTIVE LPSG meeting:

Wednesday, 21st November 2018

1. **Attendance:** Wayne, Terena, Belinda

2. **Special Business:**

End of Year Awards:

After discussion with Lesley (Principal) we are proposing to extend our awards, starting this year, to 1 \$50 award for each of Italian mainstream, Chinese mainstream (ie Anita and Geoff award), French and Japanese. Note that Korean has already got quite a bit of funding for awards from external sources, and the GAT Committee is funding the GAT classes' awards. These LPSG awards would be for Outstanding Effort and Enthusiasm, for years 7 to 10.

This would cost us \$800. This should assist in raising our profile, and helps to spend the funds in the year they were raised.

Wayne Proposed a Motion that LPSG present Language Certificates, 1 for each of year 7 to 10, for effort and enthusiasm, along with a voucher of \$50 each, for each of the languages: Chinese mainstream, (named the "Anita and Geoff Awards"), Italian mainstream, French and Japanese, totalling \$800. (Motion #2018-10-A1)

Seconded by Belinda.

Carried.

This is an amendment to Motion #2018-10 that was proposed at our last meeting.

Vouchers to be Movie vouchers. **Terena to action.**
