## 3. Summary of GAT P&C

## 4. Fund Request

Additional fund request for \$500 came through from Steven Raphael to assist with additional coaching support for the MLSHS Debate Teams. This is to be used along with the \$500 that was allocated to him last year, but was unspent.

- Motion 005 raised by Campbell Whyte, passed unanimously.

## 5. Reforming of Committee

- Anyone wanting to join the GAT P&C will also need to fill in their membership form for the General P&C body. There is a single form that needs filling out and a \$1 membership fee.
- Elected Positions for the GAT P&C will be voted on. Anyone wishing to put their name forward for a position can do so on the night. If there is only a single individual who puts forward to the position, then they are elected automatically. If multiple people put forward for a position, then it goes to a vote.
- The Elected Positions are:
  - Convenor (Currently held by Elizabeth Marruffo who is stepping down this year)
  - Secretary (Currently held by Campbell Whyte who is stepping down this year)
  - Treasurer (Currently held by Teri Loe Mau who has indicated they are happy to continue in the role)
- Nominations occurred and the resulting new Elected Positions are:
  - Convenor (Dual position by Martina Bordoni and Sangeetha Durgam)

- Secretary (Purdey van der Reis-Geurts)
- Treasurer (Position continued by Teri Loe Mau)

## 6. Activities

Previous GAT P&C activities were discussed, such as:

March - Movie

Middle of the year - Lazer tag

End of the year - Picnic

Term 2 - We spoke about the possibility of holding a social gathering for parents at Phat Brewery (Quiz Night). This occurs on a Wednesday night and parents pay per ticket. This is not a fundraiser but a social gathering for parents.

Nostalgia Box for students was more expensive and required considerable more organising.
