CAHS Truck Wrap

Shahna has received a couple of applications. Date will be extended to 11th of September. Shahna will contact Desiree Crossing about extending the EOI window as Desiree was passing on the info to other artists. Exec will meet to approve motions. Louise has volunteered to assist with moving art works.

Treasurers Report

Document attached. Meg and Shahna met and forwarded approximately 10 invoices to the purchasing officer at the school. These have now been processed by Celeste. Meg and Shahna are meeting again on the 24th of September to process more invoices.

Celeste will meet with Ana and Nabil to become a signatory of Bendigo Bank account.

Nabil is proposing a new streamlined process for approval and payment of invoices.

Teachers Report

Year 9 workshops were held with Desiree Crossing, very precise drawing using Bague technique. 2 hours wasn't enough, Shahna would love to see more work from the kids and has additional resources donated by Desiree. Next year it may be beneficial to do 2 hours per group. Thanks to Marcus Prado for supervising.

Year 7s workshop with Hannah Davidson was very boisterous and fun. Thanks to Moya Thomas for supervising.

Year 9 excursion next week to AGWA and PICA to see 3 exhibitions: Hatched, Stormie Mills and Year 12 art work.

Year 7s will work with Spare Parts Puppet Theatre this year, instead of Awesome Festival workshops.

SVAPA camp for Year 7 and 8 will take place from October 25th to 27th. A consent to go notice will come out soon.

2026 Year 8 Midsummer Video content needs to be edited. Media teachers don't have time so Shahna will propose a motion to do this.

2024 Year 8 Midsummer Video content which was previously been lost had now been found and also needs to be edited. This could be done in the same motion. The method for sharing the videos with parents needs to be determined.

London Tour – there have been significant delays from the Education Department in approving the tour. Shahna has had to re write the rationale. Other teachers have also experienced delays in this process.
